

Invest in the Future Mentor a Child

It doesn't take special skills to mentor a child – just a willingness to listen, offer encouragement and share what you've learned about life. During National Mentoring Month in January, the Oklahoma Foundation for Excellence encourages you to mentor a child in your community.

To learn more about mentoring opportunities in your area, visit www.okmentors.org or call (405) 236-0006.

Through its David and Molly Boren Mentoring Initiative, the Oklahoma Foundation for Excellence promotes the growth and development of quality youth mentoring programs as a positive step toward academic excellence.
